News from Rob & Kathy

March 2020

Mora, Minnesota

Dear family and friends,

Transitions. Life is full of them, and we are in the middle of a big one right now. For some time, Kathy and I had talked, prayed and sought counsel about a move out of Mexico. Last year, we decided that we would put our house in León on the market, then move to Georgia when it sold.

However, in July, Kathy's mom was placed on in-home hospice. We were both sure that we should take a "detour" through Minnesota for several months to help Marge and the family. So, here is what our journey has looked like:

End of July. Kathy flew to Minnesota and rented a one-bedroom apartment in Mora (about half an hour from Kathy's mom).

Beginning of August. We put our house on the market.

Beginning of September. I flew to Minnesota

These months we have been on Home Assignment with CFU. Our primary ministry has been to Kathy's family. Kathy's mom had been stable physically, but her dementia (and her husband's) was very marked. We are grateful we have been able to be near her during this time. Mom died on March 20.

Our house sold at the beginning of February, thank the Lord, before the virus situation had time to effect the traveling and peso.

At the end of April, we will move to Georgia. My plan is to continue making trips to Mexico to teach, and to see what doors God opens for Hispanic ministry in Georgia, especially mobilizing the church to participate in God's global purposes. (We will continue to serve with CFU.)

A highlight of each week last fall/winter was to participate in the Perspectives on the World Christian Movement course in Buffalo, Minnesota.

Perspectives students in Buffalo
